

1241 D **Technical Planning Chairman** - The Technical Planning Chairman shall chair, and have  
1242 general charge of the business, affairs and property of the Technical Planning  
1243 Committee, which is responsible for long-range planning regarding the swimming  
1244 programs conducted by FS, the continuing review and development of the FS  
1245 philosophy and for advising other committees and divisions regarding the  
1246 implementation of that philosophy in the context of FS's swimming programs.
