Re: 2011 Speedo SZSS Championship Series – (2nd NOTICE)

Attention FL Coaches & Clubs:

So that we offer the best competitive opportunity while maintaining a manageable championship meet at the 2011 Speedo SZSS Champions Series in Gainesville this July, it would be helpful to us to know if you plan on attending [this competition](#) and if so, indicating the number of swimmers you intend to bring. We would like this information on hand before we extend [any](#) invitation to teams located outside of our LSC. If you would kindly let us know of your intentions by [Thursday, May 12, by 5:00 p.m.](#) and include the number of swimmers you intend to bring. Return your response to Erva Gilliam's email below.

Thank you very much, [please reply to Erva at the address below.](#)
