

Hall of Fame Class of 2014

NOMINATION REQUEST

Coaches, please send in your nominations for the 2014 version of the Florida Swimming Hall of Fame. Names will be accepted until September 1st. Please send via email to: jauer1@cfl.rr.com

INDUCTION REQUIREMENTS

Coaches, officials, swimmers, and volunteers with at least 10 years of performance, service, or volunteerism in Florida swimming can be inducted. A vote of 80% or higher is required for induction from the committee. Coaches President will accept nominations, via email, and bring them to the committee each year. This will take place prior to the convention. The induction ceremony will be held at the HOD each year. There should be a mix of past and present members. There should be a goal of three past and three present members inducted each year for a total of 6 (this is certainly flexible.)

With your nomination, include any pertinent information that can be used by the committee. This can be extremely special for the members and families of members who have given so much to our sport and to Florida Swimming. Nominees can be either living or deceased. If you have someone in mind, please send them in.

Use the form on page 2.
